## DOVETON PILSNER

With a simple German malt base for a pale golden colour and loads of Kiwi Nelson Sauvin hops, our NZ Pilsner is bursting with gooseberry, white wine and tropical fruit aroma and flavour.

Malt: German Pilsner and Carahell Hops: Magnum and NZ Nelson Sauvin

## DOVETON PASSIONFRUIT SOUR

Loaded with house-grown passionfruit flavours, our sour is packed with flavour; surprisingly tart and deliciously fruit in aroma, it's best enjoyed with a fresh mezze bowl.

Malts: Wheat, Pilsner Hops: Small bittering of hops

## DOVETON PALE ALE

This beer is an American Style Pale Ale brewed with all Australian Malt and US Hops. The tropical fruit, citrus and subtle pine aroma is backed up by subtle crystal malt sweetness, finishes with a cleansing wave of bitterness. Best enjoyed amongst friends.

Malts: Pilsner, Munich, Crystal Hops: Northern Brewer, Mosaic & Cascade

## DOVETON SUMMER ALE

Low in alcohol (3.5%) but not in flavour, this is a Summer Ale designed for those long hot days relaxing and doing little...or nothing. A delicate Pilsner malt base is blended with Amarillo hops and the 7 C's hop blend, Falconer's Flight. Look out for notes of pine, tropical fruit and citrus. Best enjoyed on its own but with a friend.

Malt: Pilsner Hops: Amarillo, Falconer's Flight blend

# HOUSE BREWED Craft Beers

## DOVETON STOUT

Our vanilla milk stout, delivers plenty of chocolatey goodness with a smooth creamy finish. This sweet stout is brewed with the addition of unfermentable milk sugar (lactose) that gives the beer a subtle sweetness, accentuated with hints of vanilla bean.

Malts: Maris Otter, Munich, Chocolate, Caramel Munich II, Carafa Special III, Golden Naked Oats Hops: East Kent Goldings Other: Vanilla Bean

## DOVETON LAGER

The new kid on the block is dedicated to our locals. They wanted the crispest, smoothest and easiest drinking golden ale we could produce. Thanks to COVID-19, we have spent many an hour crafting this delicious golden juice for everyone to enjoy - particularly after lock down.

Malt: Pilsner, Wheat, Carapils Hops: Northern Brewer, Saaz

## DOVETON IPA

Bright orange in colour, and 5.8% ABV this American IPA packs plenty of punch! The all Australian malts place emphasis on being pale so the hops come forward, the hops being a mixture of both US and Australian. This gives a complex tropical fruit flavour and aroma, subtle crystal sweetness and the Centennial characterised by onion-like notes. This beer is for those that like plenty going on.

Malt: Pilsner, Munich, Light Crystal Hops: Warrior (US), Simcoe (US), Centennial (US), Galaxy (AU)
